QBW's Premier Protection Plan Covers Your Home For 10 Years

The First Year

The builder warrants the home against specified defects in workmanship and materials that are the result of nonconformity with Quality Builders Warranty Corporation's warranty standards, as well as any major structural defects as defined in the warranty.★

The Second Year

The builder warrants the home against specified defects in the wiring, piping and ductwork, as well as any major structural defects as defined in the warranty.

The Third through Tenth Years

Should any major structural defect (as defined in the warranty) occur during this period, QBW, through the insurer, will repair or replace the defect - or pay the reasonable cost of the repair or replacement.★

Throughout the 10-year period, the warranty is automatically transferrable to subsequent buyers.

★ Due to state requirements, coverage in Indiana differs. Please refer to the Limited Warranty Agreement for coverage details.

Protect the Value of Your Home

When you select a QBW builder, you can feel confident in the quality of your home's construction.

You can continue to protect the quality of your home through regular home maintenance described on the "Maintenance Tips" page of our Web site. Learn about exterior issues, such as roofing, landscaping and foundations, as well as interior issues such as plumbing, flooring and electrical wiring.

Achieve Peace of Mind

The warranty specifies a clear set of written standards that help to eliminate gray areas and possible disputes between homeowners and builders.

In the event that a concern does arise, the complaint resolution process is simple and efficient. If the homeowner and builder cannot resolve the dispute, QBW will review the claim and assign an investigator, if necessary. If the dispute is still unsettled, QBW will arrange for binding arbitration.★

The complaint resolution process is clearly stated in the warranty agreement, so both parties know what to expect.

★ In the state of New Jersey, election of remedies applies.
